Re: *Dellar Trust/ Former City of Sacramento Landfill
20th and A Street*

Dear Mr. Rosenbaum:

Thank you for your time today to discuss the mutual request of the City of Sacramento and the Dellar Trust for a brief extension of time to submit the first deliverable under the cleanup and abatement order. As we discussed, we have been working on access issues and insurance requirements in advance of SCS conducting the specified survey. We are requesting until August 31, or sooner, to submit the survey, and we understand that you will take our request under advisement.

Thank you again for courtesies extended.

Sincerely,

Dictate but not read to avoid delay.
